

Welcome to canamvideo.com.

Well it's been just over a year now since the Toronto Sun published the 3 page article on the content of this site.

Of course, with the following public outcry, the police arrested me shortly thereafter.

I spent a lovely 5 days in the Don Jail were I was assaulted and suffered a broken knee, three broken ribs and stitches to both sides of my face. Lovely justice system we have in this country!

Guilty until proven innocent and tried in the media! lol

It's not quite over yet. Still have to fight 3 charges laid by the antiquated Ontario Film Review Board.

There is alot more to this story and hopefully, if I find a great writer, it'll be a book, movie or both.

Thank you to all those who stood by me in these trying times. You know who you are.
